DAY 1

Auckland - Waiheke Island

DISTANCE
12nm

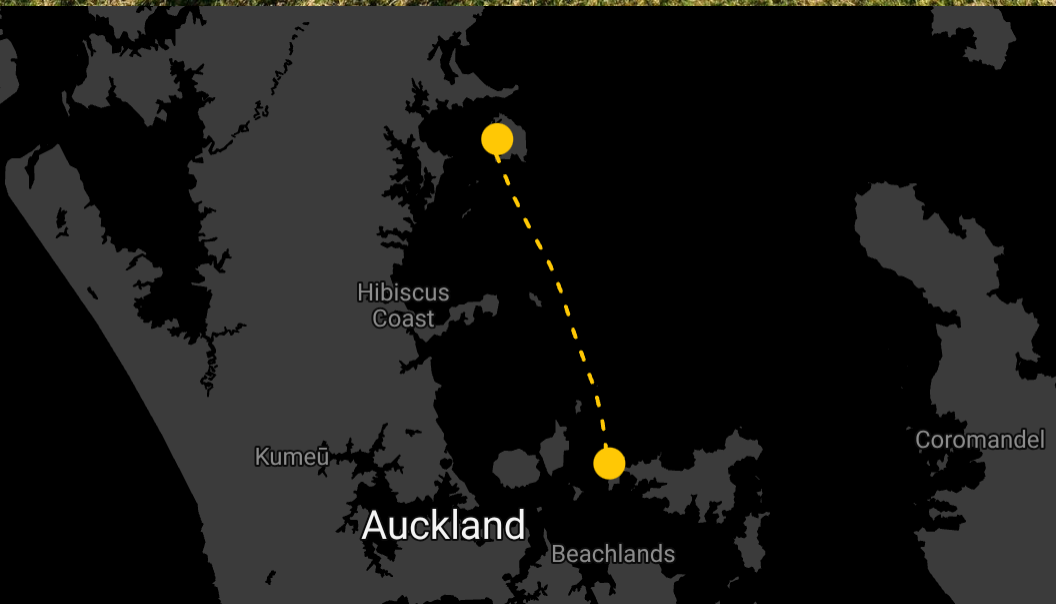

DURATION
1h 10m

Waiheke Island, which is only about twenty kilometres from Auckland in the Hauraki Gulf was rated by Lonely Planet as being in the top five of places to visit. The island really does have something for everyone, particularly lovers of the outdoors, sport and wine. It is known as New Zealand's "Island of Wine". The island has a number of magnificent beaches which are very good for diving and snorkelling. Those feeling a bit more adventurous will enjoy a flying fox zipline experience which allows you to fly over vineyards and native rainforest. Being an island, water sports dominate outdoor activities. These include fishing, surfing, kayaking and paddle-boarding. The restaurants on the island cater for a range of tastes including café, fine dining and Mediterranean.

DAY 2

Waiheke Island - Kawau

DISTANCE
23nm

DURATION
2h 5m

The island was once owned and was home to Sir George Grey, then governor of New Zealand. Today there is plenty on the island for nature lovers. There are several walks on the island and the garden of the restored house still has many beautiful peacocks. The exotic animals which Grey introduced have done a great deal of harm and strong efforts are being made to restore the island to its natural state.

DAY 3

Kawau - Great Barrier Island

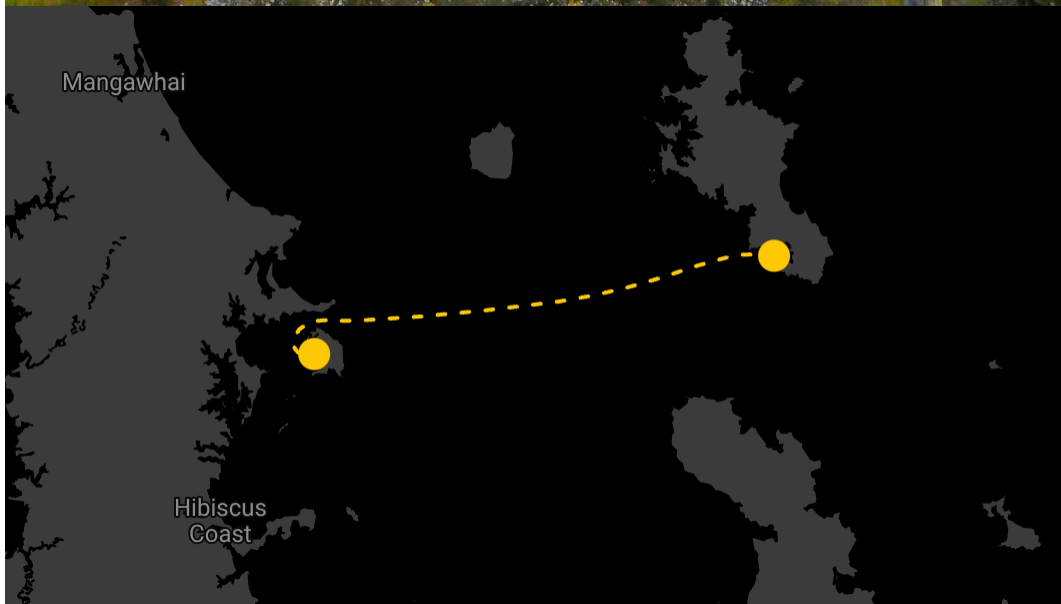

DISTANCE
35nm

DURATION
3h 10m

A world of steaming hot springs, surf breaks, ancient forests, and dark skies flooded with stars waits for you on Great Barrier Island. Also called Aotea in the native Maori language, this entirely off grid island is vibrant, rich in culture, and comes with endless adventures. Visit the Kaitoke Hot Springs where you can soak in blissfully warm waters in the heart of an old forest. Hike Mount Hobson with its majestic rock formations and epic viewpoints across the island. Surf a wealth of breaks, tee off with a round of golf, and immerse yourself in birdwatching on this rich island.

Sample some homegrown delights at the weekly farmers markets and when night closes in, you can kick back on the deck of your yacht and get up close and personal with

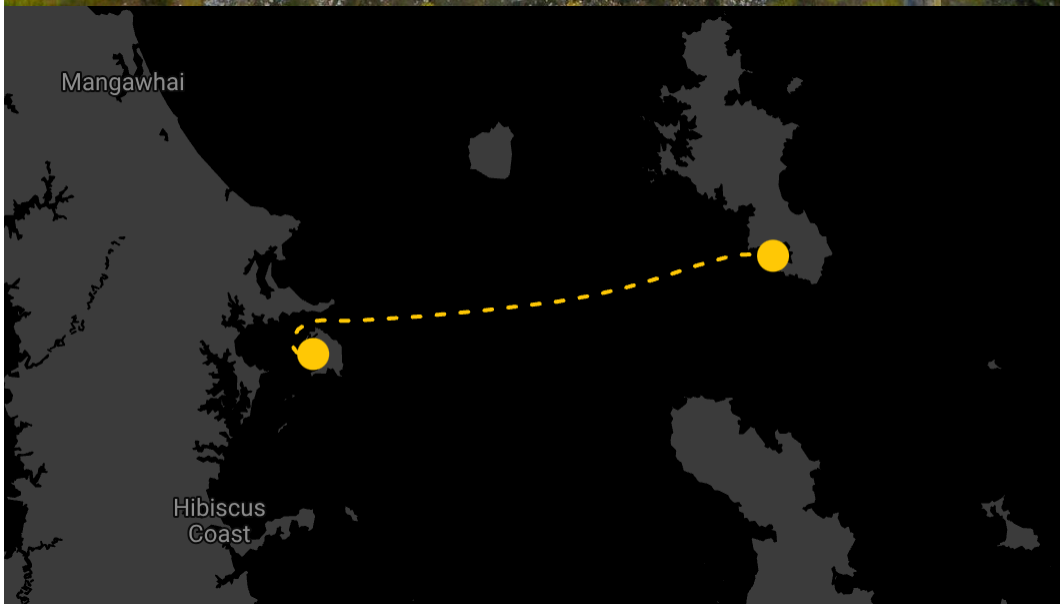

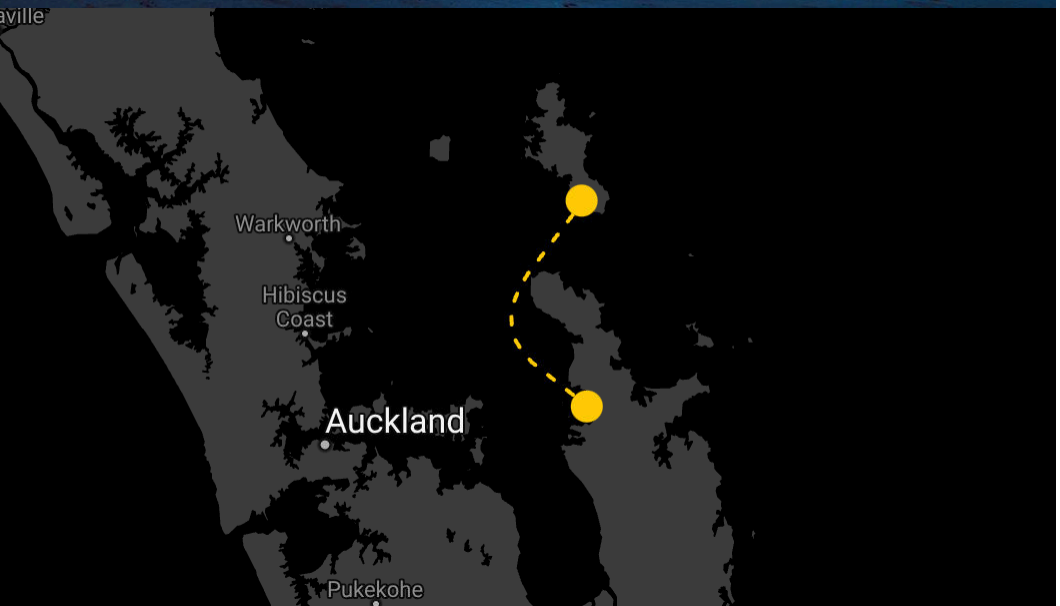

DAY 3 | KAWAU - GREAT BARRIER ISLAND

the glut of stars spinning overhead in this dark skies sanctuary.

DAY 4

Great Barrier Island - Coromandel Peninsula

DISTANCE
34nm

DURATION
3h 10m

The Coromandel Peninsula on North Island forms one arm of the Hauraki Gulf. Despite being near areas of high population, the peninsula is relatively isolated due the rugged terrain, which lends itself to many adventurous activities. Thee include 4WD tours, ziplining, mountain biking, tramping and hiking. There are many stunning beaches, bays and coves to choose from and these offer surfing, scuba diving, snorkelling, kayaking, exploring and water tours. Day trips to nature and wildlife areas, fishing, golf and eco tours, not to mention cultural tours, add to the list. A wide variety of food is available including Indian, café, Asian, European, Italian and local.

DAY 5

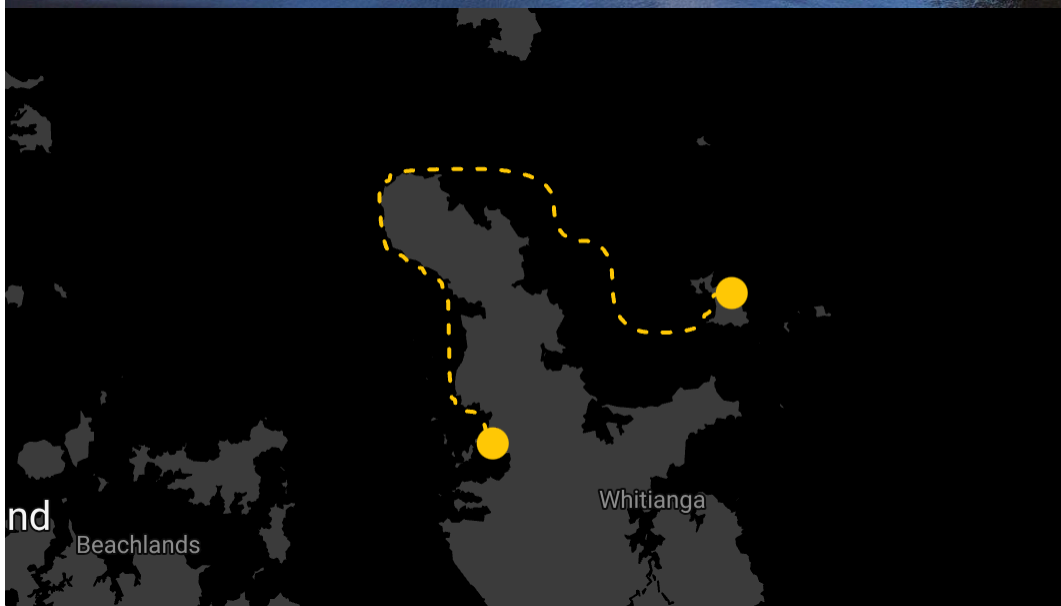

Coromandel Peninsula - Mercury Islands

DISTANCE
53nm

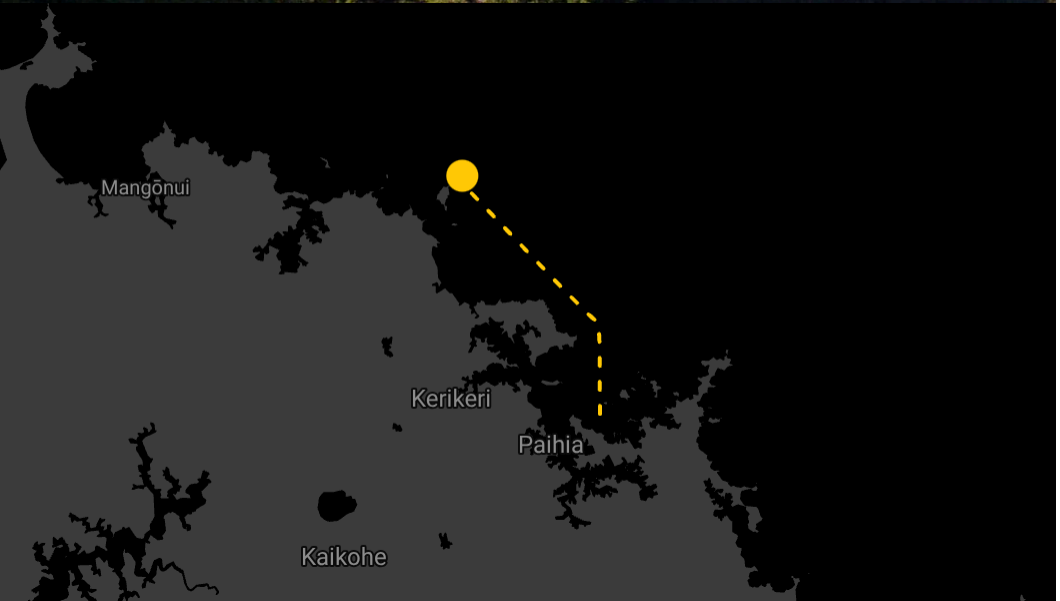

DURATION
4h 50m

The Mercury Islands are best known for diving and nature conservation. The islands are recognised as being extremely important bird breeding areas for some critically endangered species.. The largest island is privately owned but the public are allowed to visit. Be certain that you have an appropriate camera with you to capture this beautiful area.

DAY 6

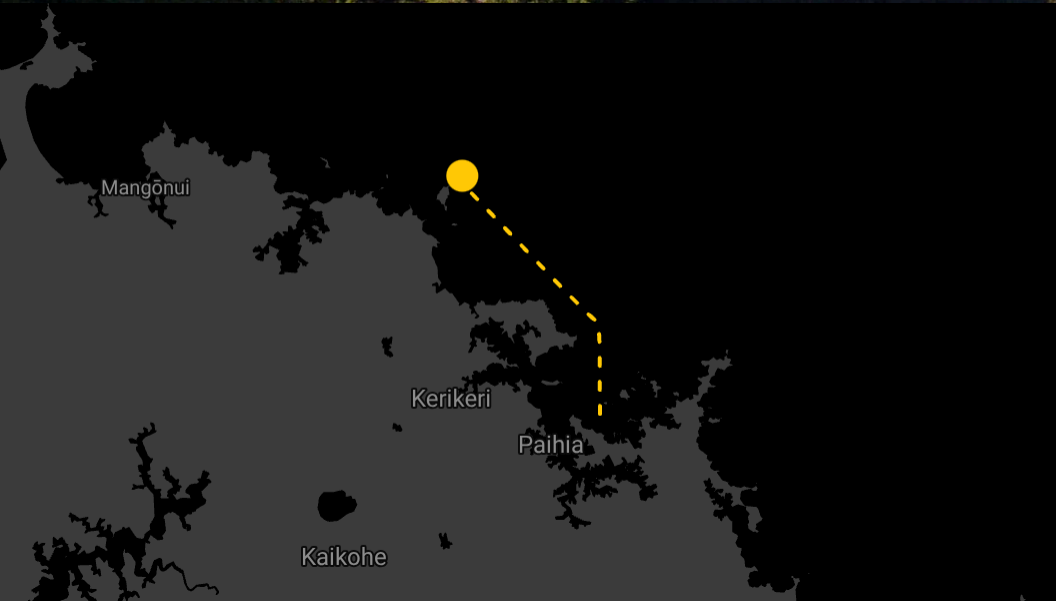

Bay Of Islands - Cavalli Islands

DISTANCE
21nm

DURATION
1h 55m

Off the coast of Matauri Bay, the Cavalli Islands are considered one of the best diving sites in the whole of the Northland. This sweet slice of paradise is as awe-inspiring underwater as it is on land. Laced with volcanic terrain and littered with swim through caves and deep-cut tunnels, it's home to many thrilling characters of the deep seas. From the world's largest stingrays to scorpionfish, john dory, silky eels, and pods of chattering dolphins, you can swim alongside all at Cavalli Islands. Sunken in the seabed between Matauri Bay and Cavalli you can dive down to the Rainbow Warrior wreck. This former Greenpeace ship is a man-made reef offering all the visual delights of tropical candy coloured coral. When not diving, you can explore the collection of islands through sailing, snorkeling,

DAY 6 | BAY OF ISLANDS - CAVALLI ISLANDS

and kayaking.

DAY 7

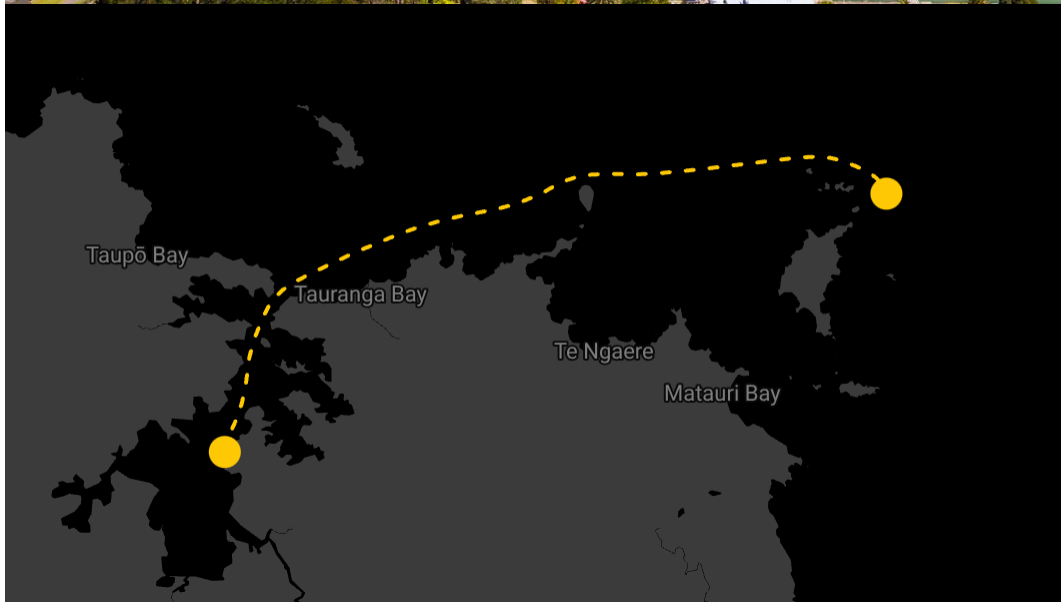

Cavalli Islands - Whangaroa

DISTANCE
14nm

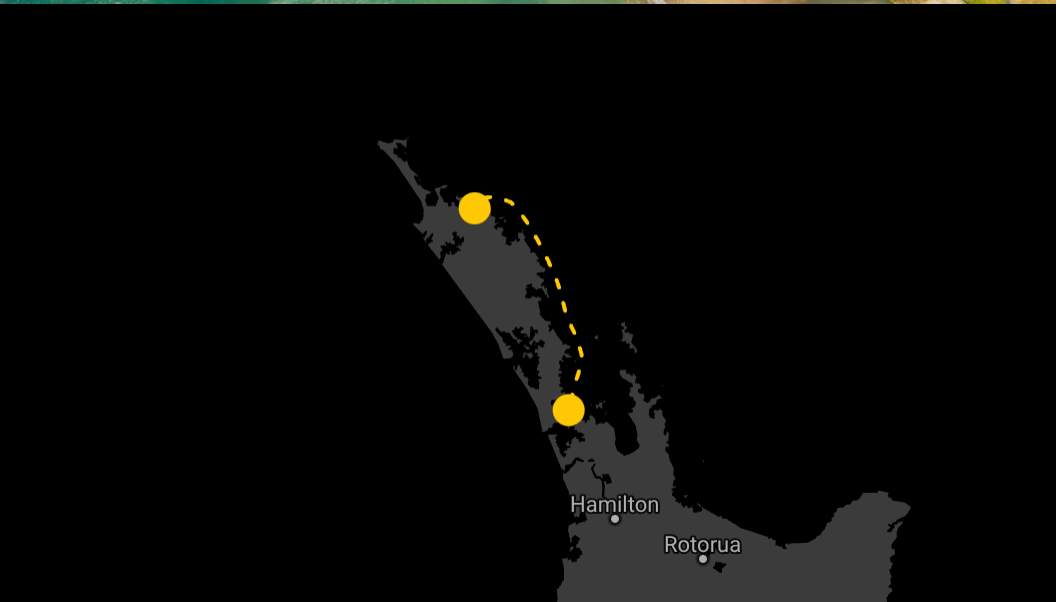

DURATION
1h 20m

Whangaroa is a spot popular for fishing in its own right as well as being a base for deep-sea fishing, particularly marlin. The harbour itself is fjord-like in nature and worthy of a slow cruise. Nearby you will find beautiful beaches and hiking trails.

DAY 8

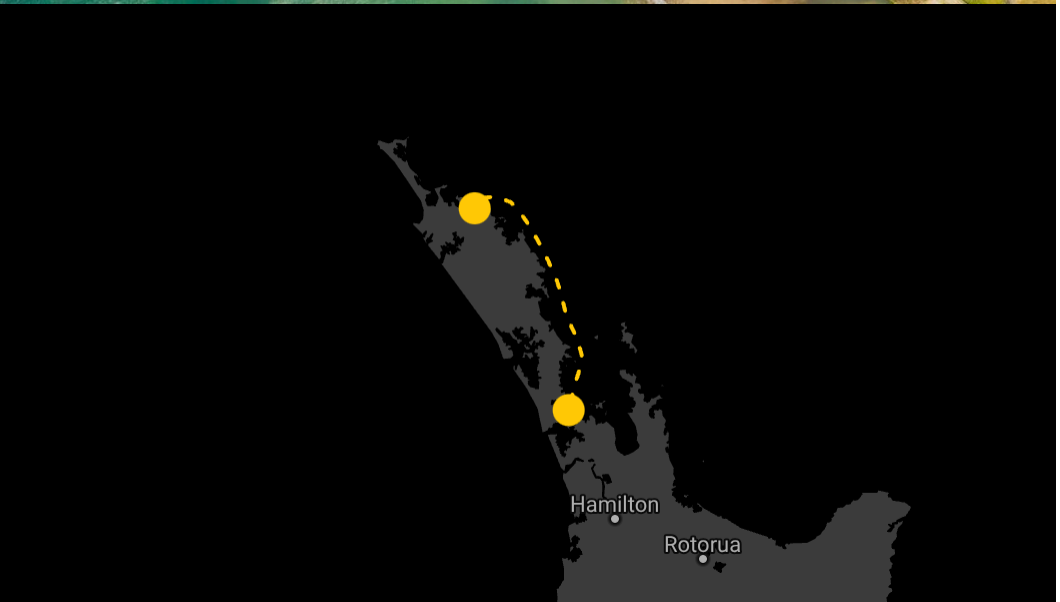

Whangaroa - Auckland

DISTANCE
142nm

DURATION
13h 0m

Auckland sits on the Hauraki Gulf and is the largest and most diverse city in New Zealand. It is the ideal destination to begin your charter holiday and explore the surrounding areas further, and with an endless amount of excursions and tours of all sorts which are on offer, you will find something to suit everyone, from cultural and wildlife excursions, archaeology and film tours, lush forests and amazing hiking trails. The city's significant tourist attractions include festivals, performing arts, historic sites and several cultural institutions. Uncountable beaches are within easy reach and in summer they are very popular. One in three New Zealand households has a boat, proving that a visit to this beautiful country by yacht is the ideal way to see it. Food in the city and surrounds is international

DAY 8 | WHANGAROA - AUCKLAND

and includes Asian, American, European, fusion and many others. Whatever your taste, there will be something to whet your appetite.
